

REDUCE RE-ADMITS WITH AN OUTCOME-FOCUSED PARTNERSHIP

Improve Patient Care Outside of Hospital Walls with a Digital Health Solution

QUALITY AT-HOME SUPPORT

- Patient-specific reporting on class completion
- Prescribe post-visit, post-surgery activity
- Social motivation with synchronous participation of caregivers, family, or other patients

PERSONALIZED PATIENT JOURNEYS

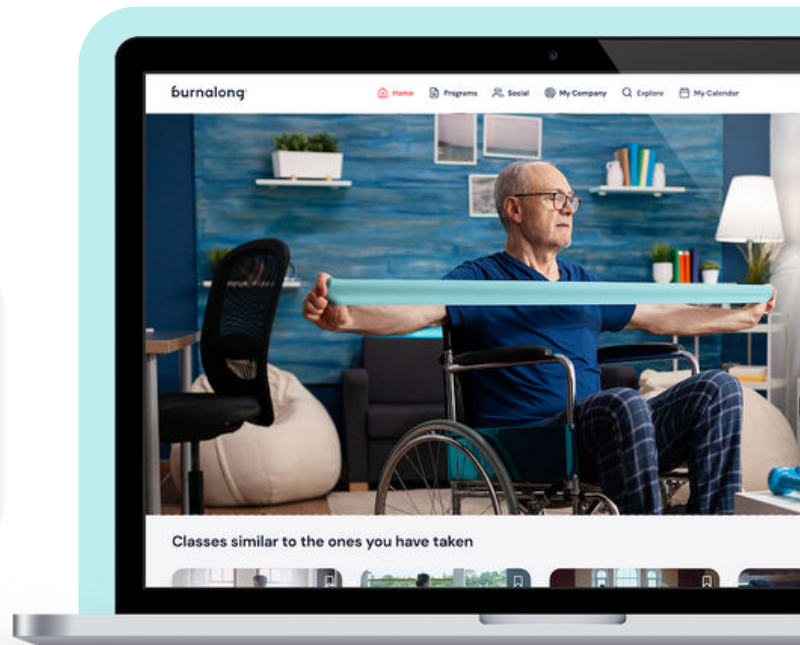

- Create curated lists of activities for patients
- Custom specialist-created content
- Provide remote care coordination with caregivers
- Access to private virtual communities

SUPPORT VALUE-BASED CARE

- Work with Burnalong to keep patients well
- Reduce re-admits with structured wellness plan
- Guide patients with custom programming

CHRONIC CONDITION MANAGEMENT

- Exclusive patient access to specialty categories
- Improve patient experience post-treatment
- Preventative treatments to improve overall patient wellness

Join hospitals and specialists already working with Burnalong to create personalized patient journeys!
